## RECYCLE MORE!

# Program for City of Portland Residents

Residents of Portland will soon enjoy curbside recycling from Granger for a small fee of \$3.50 per month. Recycling comes with a 96-gallon Curby Recycler cart (pictured left).

Curbside recycling collection will begin September 11 and will occur every other week on Mondays. Carts will be delivered to residents throughout August.

Residents will automatically be enrolled for recycling service and do not need to sign up.

### RECYCLE WITHOUT SEPARATING:

**Cardboard; boxboard; tin and aluminum; #1 through #7 plastic bottles, plastic tubs and jugs; clear and colored glass; mixed paper (newspaper, magazines, office paper, junk mail, etc.)**

## NEVER MISS ANOTHER COLLECTION DAY

Portland's complete trash and recycling program at your fingertips!

### Download Granger's FREE Recycle Coach App

- Sign up for pickup reminders for trash and recycling
- Download a personalized collection calendar
