Council Member __________, supported by Council Member __________, made a motion to adopt the following resolution:

RESOLUTION NO. 18-38

A RESOLUTION APPROVING THE AWARD OF THE CITY DEVELOPMENT STREET & UTILITY EXTENSION TO CL TRUCKING, INC.

WHEREAS, the City received 7 bids in response to its request for sealed bids to construct a new street for the City property near Cutler Road (the Project), a copy of the Engineer’s Bid Tabulation and recommendation is attached as Exhibit A; and

WHEREAS, the City Manager and Engineer recommend awarding the Project to CL Trucking, Inc., in the amount of $386,190.00; and

WHEREAS, this Project has been appropriately budgeted for and listed in the City’s Capital Improvement Plan.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. The City Council approves the Engineer’s recommendation to award of the Project to CL Trucking, Inc., in the amount of $386,190.00.

2. All resolutions and parts of resolutions are, to the extent of any conflict with this resolution, rescinded.

RE: City of Portland, City Development street & Utility Extension

Dear Mr. Gorman:

We have reviewed the bids for the City Development Street & Utility Extension project and summarized them in the attached spreadsheet. A total of seven bids were received with three that were at or below our Engineer’s Estimate for the project.

The low bid was submitted by CL Trucking & Excavating in the amount of $386,190.00. CL Trucking is well known to the City, having successfully completed a number of similar projects in recent years, most recently the James Street project that is currently being completed. They have requested that the start date for construction be delayed from June to August, based on their other workload for the summer. We have contacted them to clarify that this would be early August, and perhaps even late July, depending on how their other projects progress. The project has been set up for an 8-week construction timeframe.

Based on the above, we recommend award to CL Trucking & Excavating in the amount of $386,190.00.

Please feel free to contact me with any questions.

Sincerely,

FLEIS & VANDENBRINK

Jonathan W. Moxey, P.E.
Project Manager

RESOLUTION NO. 18-39

A RESOLUTION APPROVING FLEIS & VANDENBRINK’S PROPOSAL TO PROVIDE CONSTRUCTION ENGINEERING SERVICES FOR THE CITY DEVELOPMENT STREET & UTILITY EXTENTION

WHEREAS, Fleis & VandenBrink has proposed to provide construction engineering services to construct a new street for the City property near Cutler Road (the Project) as outlined in the attached Exhibit A; and

WHEREAS, the City Budget for Fiscal Year 2018-2019 includes sufficient funds to cover the engineering proposal for construction engineering services for the Project.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. The Portland City Council approves Fleis and VandenBrink’s Proposal to provide construction engineering services for the James Street Improvement Project for an amount not to exceed $61,400.00 as outlined in the attached Exhibit A

2. All resolutions and parts of resolutions are, to the extent of any conflict with this resolution, rescinded.

RE: Construction Engineering Proposal for
City Development Street & Utility Extension

Dear Tutt,

As you are aware, bids were received for the City Development project on May 16 and an award to CL Trucking & Excavating is anticipated on May 21 with construction beginning in late July or early August. Now that scope and schedule for construction have been defined, we have prepared a work plan and engineering budget for construction engineering services.

Our proposed budget and work plan are attached for your review. Approval to proceed with the work under our existing Professional Services Agreement dated October 9, 2017 can be given by returning a copy of this proposal signed where indicated. Please feel free to call with any questions.

Sincerely,

FLEIS & VANDENBRINK

PROPOSED WORK PLAN

Construction Engineering Services

1. Schedule and attend the pre-construction meeting with the Contractor, City, and utility companies. Prepare and distribute meeting minutes.

2. Perform construction staking for the improvements. Based on the scope of the improvements, we have assumed 3 staking trips throughout the project.

3. Provide project administration and engineering consultation throughout the construction period, including:
   - Schedule and attend periodic progress meetings with the Contractor and City Staff. Prepare and distribute meeting minutes.
   - Review shop drawings and other project submittals.
   - Review contractor pay applications and, if appropriate, submit a recommendation to the City for payment.
   - Prepare contract change orders, as necessary, and submit recommendation to the City for approval.
   - Maintain project records.

4. Provide on-site observation and materials testing during project construction activities. Based on the project schedule, we have included 8 weeks of observation at 45 hours per week for substantial completion plus 20 hours for following up on punch list items. The field technician's duties will include:
   - Provide daily record keeping of construction activities.
   - Address complaints filed with the City on a daily basis, if any.
   - Provide on-site density testing of soils and density testing of asphalt paving.
   - Coordinate off-site materials testing as required.

5. Provide off-site materials testing. Services will be sub-contracted to an independent testing consultant.

6. Conduct a final walk-through meeting on site with the Contractor and City Staff to review the completed work. Prepare a final punch list of remaining work items. Provide follow-up review to see that the punch list items have been completed.

7. Coordinate final payment with release of retainage and contract closeout.

8. Prepare record drawings showing as-constructed dimensions and details, as appropriate. Provide 3 hard copy sets and PDF files on a CD.

9. Assist the City with adding the new street to its Act 51 map so that it can begin to receive funding.
ENGINEERING BUDGET
We propose the following budget for the engineering services outlined in the proposed work plan based on our understanding of the project. Our estimated fees are as follows:

RE: Design Engineering for DPW Improvements

Dear Tutt:

As we have discussed, the City is planning improvements for the Department of Public Works Facility on Morse Drive, generally consisting of the following:

- Replace the existing 600-ton timber salt barn with a fabric top structure on large precast concrete block foundation having a capacity of approximately 1,000 tons. The structure will not be fully enclosed, heated or served with electric.

- Construct a similar structure (fabric top on concrete block foundation) for vehicle and equipment storage. The structure will not be fully enclosed, heated or served with electric.

- Construct asphalt paving as the base for both structures and in the front area of the DPW facility between the existing building and salt barn structure.

Based on our understanding of the project scope, we propose the following Work Plan to assist you:

**WORK PLAN**

- Obtain topographic survey of the DPW facility property. While the improvements currently being planned are limited to the southern corner of the site, we have assumed collecting information for the entire fenced Department of Public Works and Wastewater Treatment Facility site, to serve as a basis for considering accessibility and future improvements in the current site plan work.

- Obtain utility information for electric, natural gas, telephone and cable television on the site. Incorporate the information into the topographic survey.

- Meet with DPW staff to develop a list of equipment to be covered by the new structure and assist with sizing. We understand the salt storage structure has already been sized.

- Coordinate with the building manufacturers identified by the City to obtain design details, specifications and quotes for the two structures. We have assumed that the detailed design will be performed by the manufacturers at no cost to F&V.
- Prepare preliminary construction drawings, specifications and cost estimate for the project. We anticipate the drawings will include a cover sheet, typical notes and details, site plan and building detail sheets from the selected manufacturer(s).

- Meet with City staff to review the preliminary design.

- Finalize the bid documents based on input from City staff.

- Prepare and submit the soil erosion and sedimentation control permit for the project, if required.

- Assist with soliciting bids for the project, including advertising the project online, preparing and distributing bidding documents, maintaining a record of plan holders and answering bidder questions and issuing addenda, if required.

- Conduct a public bid opening to be held at the City offices. Tabulate and review the bids, evaluate references and provide a Recommendation of Award to the City.

We propose to complete the scope of services outlined in the above Work Plan with the following engineering budget:

<table>
<thead>
<tr>

</tr>
<tr>
<td>Bidding Assistance</td>
<td>2,200</td>
</tr>
<tr>
<td><strong>Total Proposed Budget:</strong></td>

We can prepare a Work Plan and Engineering Budget for construction phase services once the scope and schedule have been defined. Approval to proceed with the work under our existing Professional Services Agreement for General Consultation can be given by returning a copy of this proposal signed where indicated. Please feel free to contact us with any questions.

City of Portland

Portland, Michigan

Minutes of the City Council Meeting
Held on Monday, May 7, 2018
In Council Chambers at City Hall

Present: Mayor Barnes; Mayor Pro-Tem VanSlambrouck, Council Members Fitzsimmons, Baldyga and Johnston; City Manager Gorman; City Clerk Miller; DDA/Main Street Director Conner Wellman; Police Chief Thomas

Guests: Chris O’Neill of HomeWorks Connect; Kathy Parsons

The meeting was called to order at 7:00 P.M. by Mayor Barnes with the Pledge of Allegiance.

Motion by Fitzsimmons, supported by VanSlambrouck, to approve the Proposed Agenda.

Yeas: Fitzsimmons, VanSlambrouck, Baldyga, Johnston, Barnes

Adopted

Under City Manager Report, City Manager Gorman reported that the Draft Budget for Fiscal Year 2018-2019 was presented to the Council and discussed at the Budget Workshop on Monday, April 30, 2018.

The donation of property from ADM Alliance Nutrition is now complete. The acquisition of this property will allow for the potential realignment of the Divine Hwy. Bridge and/or the addition of parking in the Downtown.

The James Street Improvement Project will be wrapping up soon. The top coat of asphalt is expected to be laid next week with the final restoration to follow. Fleis & VandenBrink is donating a plaque to commemorate the historic hitching post at the Torp-Smith property at 1105 James St.

Walking audits with the engineers and school representatives for the Safe Routes to School Program have been completed. These programs will enhance the walkability to and from the schools. Information will be presented to the City Council to prioritize the recommended projects.

City Manager Gorman stated that he has been working with Granger, doing research on the elimination of trash receptacles in the downtown to improve both aesthetics and walkability.

The MDNR Recreation Archery Equipment Grant was awarded to the City of Portland Recreation program and will be implemented this summer. As this program will required the shooting of bows and arrows, which is not allowed in the City, a new policy to ensure the safety of the community will be implemented.

City Manager Gorman noted that the deadline set forth in Section 28-8 of the Sign Ordinance, more commonly known as the “Sunset Clause”, which requires that all non-conforming signs must be eliminated is due to expire on August 28, 2018. A formal audit of the remaining signs that need to come into compliance has not yet been completed. City Manager Gorman suggested that this provision be
repealed and that continued enforcement of the Ordinance regarding newly erected signs should take place.

The Portland Assisted Living & Memory Center is planning to expand their facility. They submitted paperwork for a variance request for a side setback of 50 ft. It was initially presumed to be zoned C-2; however, a closer look revealed that it was rezoned in 2014 to R-2 and a SLU permit was issued for Adult Foster Care-Large Group Home which is limited to 20 beds and mirrors state law and they are currently at capacity. The state licensure for their facility is beyond the purviews of the City and they will work on that issue. For purposes of the potential development, they plan to submit for another SLU permit for a nursing/convalescent home. They will likely be before the Planning Commission for site plan review in the future.

City Manager Gorman advised that Ambulance Director/Code Officer Gensterblum is in need of an additional vehicle to perform his duties so he doesn’t have to use her personal vehicle. Staff is researching models and pricing of vehicles.

Under Presentations, DDA/Main Street Director Conner Wellman presented her report on Downtown activities and shared the 14 initiatives The MiPortland Downtown Teams are working on. She also noted that ConfluxCity Brewing is expected to announce their opening in the next few weeks, Courageous Coffee has purchased 129 E. Bridge St. and will begin the build out on the property. They anticipated opening a coffee shop with local bakery items within a year. The WODA Group will hold the Grand Opening of the Portland School Apartments on Thursday, May 10, 2018.

Under Public Hearing, Mayor Barnes opened the Public Hearing on Proposed Budget for Fiscal Year 2018-2019 at 7:32 P.M.

There was no public comment.

Mayor Barnes closed the Public Hearing at 7:34 P.M.

Under New Business, the Council considered Resolution 18-33 to adopt the Annual Budget for Fiscal Year 2018-2019.

Motion by Fitzsimmons, supported by VanSlambrouck, to approve Resolution 18-33 to adopt the City of Portland’s Annual Budget for Fiscal Year 2018-2019.

The Council considered Resolution 18-34 to approve a permit application submitted under the METRO Act by Tri-County Electric Cooperative, Inc. to use the City’s rights-of-way, for the installation of fiber optic cable and gigabit passive optical network (GPON) to facilitate its broadband services. City staff has reviewed the application and are recommending the City Council approve the submitted application and permit.

City Manager Gorman noted this is the second time this application and permit have been presented to City Council. After further review, City Staff has no issue with recommending approval.
Mr. O’Neill of HomeWorks Connect presented information on the goals of Tri-County Electric Cooperative, Inc. in bringing broadband services to its customers. The application under the METRO Act is required to use the City’s rights-of-way to get the fiber optics through the City to the lines outside the City limits.

There was continued discussion.

Motion by Baldyga, supported by Johnston, to approve Resolution 18-34 to approve a Permit Application submitted under the METRO Act.

The Council considered Resolution 18-35 to approve a proposal from Pulse Broadband to conduct a Broadband Feasibility Study to explore communications and broadband infrastructure alternatives for continued economic development and service to its residents. Pulse Broadband has submitted a proposal to conduct a Communications and Broadband Infrastructure Feasibility Study in the amount of $15,000.00. City Manager Gorman and Director of Public Services, Mike Hyland recommend City council approve the proposal.

Motion by Johnston, supported by Baldyga, to approve Resolution 18-35 approving a proposal from Pulse Broad Band to conduct a Broadband Feasibility Study and Approving, Authorizing, and Directing the Mayor to sign the professional services agreement for the City of Portland.

The Council considered Resolution 18-36 to approve the Dissolution of the Economic Development Corporation of Portland established on September 4, 2007. The EDC was created to assist with the development of the annexed City property situated at Cutler Rd. and Grand River Ave. Since that time, the EDC has been instrumental in establishing a zoning district and concept plan for the Property that has resulted in the development of permitted uses such as Family Farm & Home and the future Sparrow facility. The EDC has completed its purpose by establishing a zoning district and concept plan and has no current plans or projects for the Property. At its regularly scheduled meeting on April 23, 2018, the Board of Directors unanimously voted to approve the Resolution of Dissolution of the EDC and recommended the City Council do the same.

City Manager Gorman noted that there are no other communities our size in the State of Michigan that have an EDC. The elimination of the EDC will allow the development process to be streamlined and be more efficient.

Mayor Pro-Tem VanSlambrouck stated that the EDC has accomplished what it set out to do and has lived its life.

Council Member Baldyga thanked the members that have served on the EDC.

Motion by VanSlambrouck, supported by Baldyga, to approve Resolution 18-36 approving the recommended Dissolution of the Economic Development Corporation (EDC) of Portland.

Motion by Baldyga, supported by Fitzsimmons, to approve the Consent Agenda which includes the Minutes and Synopsis from the Regular City Council Meeting held on April 16, 2018 and the minutes of the City Council Budget Workshop held on April 30, 2018, payment of invoices in the amount of $146,206.06 and payroll in the amount of $214,995.16 for a total of $361,201.22. Purchase orders to Greg Cook Builders in the amount of $6,440.00 for staining and repair of the Red Mill and Peerless Midwest in the amount of $10,000.00 for overhaul of Well No. 4 were also included.

Under City Manager Comments, City Manager Gorman noted the statistics of the Annual Clean up Day held on May 5, 2018. This year’s event was another success.

City Manager Gorman reminded residents that the Special Election for the Portland Public Schools Bond Proposal will be held tomorrow, Tuesday, May 8, 2018. Polls will be open from 7:00 A.M. to 8:00 P.M.

An Arbor Day Tree Planting was held on Friday, April 27, 2018 to replace the tree at 308 Kent St. that was taken out by the tornado on June 22, 2015.

Under Council Comments, Mayor Pro-Tem VanSlambrouck stated that there was a unanimous vote at the Portland Area Fire Authority meeting to vote for Tim Krizov to be the permanent Fire Chief rather than the Interim. Specifications and bids have been received for the new fire truck and are under review by the committee.

The Fire Department Spaghetti Dinner Fundraiser will be held on Wednesday, May 9, 2018 from 5:00 – 7:00 P.M.

Motion by Fitzsimmons, supported by VanSlambrouck, to adjourn the regular meeting.

Minutes of the Downtown Development Authority  
City of Portland  
Held on Thursday, April 19, 2018  
In Council Chambers at City Hall

Members Present: Barnes, Gorman, VanSlambrouck, Briggs, Grimminck, Pung, Antaya  
Members Absent: None  
Staff: DDA/Main Street Director Conner Wellman, City Clerk Miller  
Guests: Mike Judd; Shirley Teachout; Council Member Johnston  
Chair Grimminck called the meeting to order at 3:32 P.M.  

There was no public comment.  

Motion by Barnes, supported by VanSlambrouck, to approve the agenda as presented.  
All in favor. Adopted.

Motion by VanSlambrouck, supported by Pung, to approve the minutes of the April 19, 2018 with changes as noted by Mayor Barnes.  
All in favor. Adopted.

Motion by Briggs, supported by VanSlambrouck, to approve the Treasurer’s Report as presented.  
All in favor. Adopted.

Member Antaya arrived at 3:35 P.M.  

Under Old Business, Director Conner Wellman presented information on the bids submitted for bridge painting, weed control and lamp post painting.

There was discussion of each.

Motion by Barnes, supported by Antaya, to accept the bid from Cook in the amount of $2,260.00 for bridge painting.  
All in favor. Adopted.

Motion by Barnes, supported by Antaya, to accept the bid from Advanced in the amount of $1,500.00 for weed maintenance in the downtown.  
All in favor. Adopted.

In regard to painting the lamp posts, Member Pung suggested transferring the funds from the fund balance rather than using funds designated for façade grants as one of the goals outlined in planning was to increase the focus on façade grants.

There was discussion.

Shirley Teachout, Design Committee Member, stated that with the upcoming sesquicentennial celebration painting the lamp posts was a priority especially as historically there are very few applications submitted for façade grants.
Motion by Pung, supported by Barnes, to use the fund balance for the lamp post painting and to approve the bid from Cook in the amount of $27,395 for the same.

There was continued discussion.

City Clerk Miller held a roll call vote.
Antaya – Yes
Pung – Yes
Briggs – Yes
Grimminck – Yes
VanSlambrouck – Yes
Barnes – Yes
Gorman – Yes
All in favor. The motion passes.

Under New Business, Director Conner Wellman noted the resignation of Randy Hodge from the DDA.

Director Conner Wellman presented information on the AmeriCorp Vista Grant that was awarded to the DDA.

Director Conner Wellman and Board Members presented the newly developed work plans for Fiscal Year 2018-2019.

There was discussion about Façade Improvement Projects and whether the amount granted for facades should be increased and who would take on the project of developing a new plan for façade grants.

Under the Director Report, Director Conner Wellman stated that she continues to meet with various groups in the community to increase her community engagement and that she attended extensive trainings throughout the month of March.

Under Board Member Comments, Member Antaya stated that the new owners of RCP will hold an open house on Tuesday, April 24, 2018.

City Manager Gorman stated that the donation of property at the corner of Divine Hwy. and Grand River Ave. from ADM Alliance Nutrition to the City of Portland is nearly complete.

Motion by VanSlambrouck, supported by Antaya, to adjourn the meeting at 4:50 P.M.
All in favor. Adopted

Respectfully submitted,

Margery Briggs, Secretary
City Of Portland/Portland Township/Danby Township

To the Members of the City Council  
City of Portland  
Portland, Michigan

We are engaged to audit the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Portland for the year ending June 30, 2018. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

Our Responsibilities under U.S. Generally Accepted Auditing Standards and Government Auditing Standards

As stated in our engagement letter dated August 1, 2017, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

As part of our audit, we will consider the internal control of the City of Portland. Such considerations are solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will also perform tests of the City of Portland’s compliance with certain provisions of laws, regulations, contracts, and grants. However, providing an opinion on compliance with those provisions is not an objective of our audit.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free from material misstatement. As part of our audit, we will consider the internal control of the City. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Generally accepted accounting principles provide for certain required supplementary information (RSI) to supplement the basic financial statements. Our responsibility with respect to the management’s discussion and analysis, budgetary comparison information, and pension and OPEB schedules, which supplement the basic financial statements, is to apply certain limited procedures in accordance with generally accepted auditing standards. However, the RSI will not be audited and, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance, we will not express an opinion or provide any assurance on the RSI.

We have been engaged to report on the other supplementary information, which accompanies the financial statements but is not RSI. Our responsibility for this supplementary information, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.
Planned Scope and Timing of the Audit

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the City and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the City or to acts by management or employees acting on behalf of the City. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We expect to begin our year-end audit procedures in September 2018 and issue our report on or before December 31, 2018. Steven R. Kirinovic, CPA is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

This information is intended solely for the use of the City Council and management of the City of Portland and is not intended to be, and should not be, used by anyone other than these specified parties.

The Michigan Public Service Commission (Commission) will hold a hearing to consider Consumers Energy Company’s (Consumers Energy) April 30, 2018 application for determination of Credit A to reflect the effects of the federal Tax Cuts and Jobs Act of 2017. Consumers Energy requests Commission to: 1) approve the Credit A surcharges as presented; 2) direct that the Credit A surcharge proposed in relation to Consumers Energy’s electric base rates terminate immediately once base rates reflecting the current tax impacts of the TCJA on Consumer Energy’s current federal income tax expense and revenue multiplier for its electric utility business are set in a pending or subsequent electric rate case; and 3) grant other relief.
All documents filed in this case shall be submitted electronically through the Commission’s E-Dockets website at: michigan.gov/mpscedockets. Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page. Documents may also be submitted, in Word or PDF format, as an attachment to an email sent to: mpscedockets@michigan.gov. If you require assistance prior to e-filing, contact Commission staff at (517) 284-8090 or by email at: mpscedockets@michigan.gov.

Any person wishing to intervene and become a party to the case shall electronically file a petition to intervene with this Commission by **May 16, 2018**. (Petitions to intervene may also be filed using the traditional paper format.) The proof of service shall indicate service upon Consumers Energy Company’s attorney, Michael C. Rampe, One Energy Plaza, Jackson, MI 49201.

Any person wishing to appear at the hearing to make a statement of position without becoming a party to the case may participate by filing an appearance. To file an appearance, the individual must attend the hearing and advise the presiding administrative law judge of his or her wish to make a statement of position. All information submitted to the Commission in this matter becomes public information, thus available on the Michigan Public Service Commission’s website, and subject to disclosure. Please do not include information you wish to remain private.

Requests for adjournment must be made pursuant to the Commission’s Rules of Practice and Procedure R 792.10422 and R 792.10432. Requests for further information on adjournment should be directed to (517) 284-8130.

A copy of Consumers Energy Company’s request may be reviewed on the Commission’s website at: michigan.gov/mpscedockets, and at the office of Consumers Energy Company. For more information on how to participate in a case, you may contact the Commission at the above address or by telephone at (517) 284-8090.

[CONSUMERS ENERGY COMPANY HAS REQUESTED RATE ADJUSTMENTS AND OTHER PROPOSALS DESCRIBED IN THIS NOTICE. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY GRANT OR DENY THE REQUESTED RATE ADJUSTMENTS AND OTHER PROPOSALS, IN WHOLE OR IN PART, AND MAY GRANT LESSER OR GREATER ADJUSTMENTS THAN THOSE REQUESTED, AND MAY AUTHORIZE A LESSER OR GREATER RATE FOR ANY CLASS OF SERVICE THAN THAT REQUESTED.]
