- (1) *Duplicate copies of licenses.* The issuance of a license and payment of the license fee by a firm, partnership, association, corporation, company or other organization shall not waive the requirement that each in-

dividual person engaged in soliciting, canvassing or peddling shall also be licensed.

- (2) *Application for adjustment.* None of the license fees provided for by this article shall be so applied as to occasion an undue burden upon interstate commerce. In any case where a license fee is believed by a licensee or applicant for license to place an undue burden upon such commerce, he may apply to the city manager for an adjustment of the fee so that it shall not be discriminatory, unreasonable, or unfair as to such commerce. Such application may be made before, at, or within six months after payment of the prescribed license fee. The applicant shall, by affidavit, and supporting testimony, show his method of business and the gross volume or estimated volume of business and such other information as the city manager may deem necessary in order to determine the extent, if any, of such undue burden on such commerce. The city manager shall then conduct an investigation, comparing applicant's business with other businesses of like nature and shall make findings of a fact from which he shall determine whether the fee fixed by this article is unfair, unreasonable or discriminatory as to applicant's business and shall fix as the license fee for the applicant, an amount that is fair, reasonable and nondiscriminatory, or, if the fee has already been paid, shall order a refund of the amount over and above the fee so fixed. In fixing the fee to be charged, the city manager shall have the power to base the fee upon a percentage of gross sales, or any other method which will assure that the fee assessed shall be uniform with that assessed on businesses of like nature, so long as the amount assessed does not exceed the fees as prescribed by this section. Should the city manager determine the gross sales measure of the fee to be the fair basis, then he may require the applicant to submit, either at the time of termination of applicant's business in the city or at the end of each three month period, a sworn statement of the gross

sales and pay the amount of fee therefor; provided, that no additional fee during any one calendar year shall be required after the licensee shall have paid an amount equal to the annual license as prescribed in this section.
