Program Proposal

Portland Parks & Recreation continually searches for new programs and instructors. If you have a particular talent or skill that you would like to teach others and earn a little extra money at the same time, complete and submit the form below. Staff will assist you in determining the length, demographic, location, and fee. While we can lend our expertise, the program/event is yours to create.

Proposal submissions are reviewed by Portland Parks & Recreation staff. If your proposal is accepted, you will be contacted to schedule a time to come in and discuss the proposal. If your proposal is not selected, a staff member will contact you in writing.
